Registration Policy

Registration

Registration for the football season opens on 1st November each year via www.nfnl.org.au. Existing players will be sent an email inviting re-registration. Parents need to have the email address associated with the registration and recall their password. New players / registrations will need to upload a copy of their birth certificate or any other form of ID to verify the player's age.

All volunteers and officials for the club need to be registered also – this enables team managers to allocate roles on the team sheet.

Payment of Fees

Payment of registration fees is set-up automatically via GameDay, this includes the NFNL fee and club fee. All fees are to be paid, preferable online, no later than Round 1 of every season. If fees are not paid prior to the Round 1 match your child will be considered "not financial" and will therefore not be able to participate in the match or any other match until the fees have been paid in full.

The NFNL also offers an Openpay option, that allows you to pay your fees in instalments. The club endorses this method for payment plan options.

If you are having financial difficulties, you can contact the Treasurer to discuss alternative payment arrangements.
